

# awesome fingerless gloves by gnathalie2

## materials:

size H hook

ww weight yarn (I used red heart simply soft)

yarn needle

## Pattern notes:

1. BPDC (back post double crochet) is used in this pattern.
2. I am left handed and I have tried to include notes in the pattern for left & right handedness. The end result is just that you want the 'ridges' to be on the outside of the gloves!

## **Cuff:**

chain 9

**r1:** dc in 3<sup>rd</sup> chain from hook and in each ch across. Chain 2, turn (7 dc)

**r2:** BPDC in 2<sup>nd</sup> dc and in each across (including last post) chain 2, turn

**r3:** dc in 2<sup>nd</sup> dc and in each across. Chain 2, turn

Repeat rows 2 & 3 till the cuff fits around your arm snugly (mine ended up at 18 rows total)

When cuff is the desired length, fold in half with right sides touching and slip stitch the ends together, flip inside out ('ridges' facing out) and ch 1.

## **Gloves:**

**rd1:** sc around in the 'holes' of the cuff, anywhere between 27-30 sc.

Chain 2 (if you are left-handed, turn here. If you are right-handed, do not turn here)

**rd2:** dc in next sc and in each around, sl st in beg ch-2 to join, chain 2

**rd3:** BPDC in next dc-post and in each around, sl st to join, chain 2

Repeat rd2 & rd3 till glove reaches the base of your thumb. Mine have measured anywhere between 6-8 inches.

### **Thumb round for left glove:**

**rd1:** dc in next 4 dc, chain 5, dc in 5<sup>th</sup> dc over and in remaining dc. Sl st to join, chain 1, do not turn.

**rd2:** sc in next 4 dc, sc in each chain of ch-5, sc in remaining dc around, sl st to join, fasten off.

### **Thumb round for right glove:**

**rd1:** dc in each dc around until you reach the 9<sup>th</sup> dc from the end. Chain 5, dc in 5<sup>th</sup> dc over and in last 4 dc. Sl st to join, chain 1.

**rd2:** sc in each dc around, sc in chain of ch-5 and in remaining dc. Sl st to join, fasten off.

Weave in ends and enjoy your gloves!!
